MEMORANDUM FOR: The Director of Central Intelligence

FROM : Presidential Briefing Coordinator

SUBJECT : Preparations for the 10 January Presidential Briefing

1. Attached is the Pakistan-Afghanistan package in case you want to do some more background reading. We are revising the briefings based on the pre-brief this afternoon, but cannot get anything for your review until tomorrow. 

2. In particular you may want to look at the draft NID article here. If you take the tack of looking at the long-term problems beyond Zia, you may want to run this as a PDB Annex Wednesday morning and pick up the briefing from there.
